### **BROOKS ANNOUNCES NEW AIRPORT VALET SERVICE**

Monroe County Executive Maggie Brooks today announced that the Greater Rochester International Airport (GRIA) is adding new Airport Valet Service for passengers. The new service will begin on Monday, May 23, 2005.

*"The new Valet Service responds to the needs of frequent travelers at our Airport, especially business travelers," said **Brooks**. "Airport Valet Service is another way we are working to enhance parking options for passengers and make travel more convenient and efficient. Now, traveling from Rochester is even easier."*

The new Airport Valet Service is by reservation only. To reserve Valet Service, passengers should follow these three simple steps.

- Passengers should call 585-327-6700 by midnight the evening before their scheduled day of departure. A reservations agent will assist in obtaining their car, flight and billing information. The cost is \$20 per day.
- Since passengers have reserved Valet Service by calling ahead, a friendly Valet Attendant will be waiting to greet them at the Drop-Off Valet Station located on the Airport's Upper Level Roadway, just outside the ticket lobby.
- When passengers return from their destination, their car will be waiting at the Pick-Up Valet Station located on the Airport's Lower Level Roadway, just outside the baggage claim.
